

**FOR IMMEDIATE RELEASE**

## **Ada 2022 Language Standard to be Published by Springer**

**Lisbon, Portugal, June 14, 2023.** Ada-Europe today announced, at its 27th International Conference on Reliable Software Technologies (AEiC 2023), that the Ada 2022 Language Reference Manual (LRM) will be published by Springer in its LNCS series later this year.

Ada 2022 is the latest edition of the Ada programming language standard, technically denominated ISO/IEC 8652:2023, which was formally approved and officially published by ISO, the Geneva-based International Organization for Standardization, on May 2, 2023.

The Ada 2022 LRM is available online: [www.ada-auth.org/standards/ada22.html](http://www.ada-auth.org/standards/ada22.html).

An overview of Ada 2022 is at: [www.ada-auth.org/standards/overview22.html](http://www.ada-auth.org/standards/overview22.html).

To mark this official milestone, and in continuation of its established practice, Ada-Europe undertook to support the production of the new LRM as a dedicated issue of the Springer-published LNCS series.

### **About Ada-Europe**

Ada-Europe is the international non-profit organization that promotes the knowledge and use of the Ada programming language in academia, research and industry. Its flagship event is the annual International Conference on Reliable Software Technologies, a high-quality technical and scientific event that has been successfully running in the current format for the last 27 years. Ada-Europe has member organizations in Belgium, Denmark, France, Germany, Spain, and Switzerland, as well as individual members in many other countries. For information about Ada-Europe, its charter, activities and sponsors, please visit: [www.ada-europe.org](http://www.ada-europe.org). Ada-Europe is headquartered in Brussels, Belgium.
