**Call For Papers**

**8th International Conference on Reliable Software Technologies - Ada-Europe 2003**

16 - 20 June 2003, Toulouse, France

- **Schedule**
  - 31 October 2002: Submission of papers, extended abstracts and proposals for tutorials and workshops
  - 13 January 2003: Notification to authors
  - 10 February 2003: Full papers required for accepted extended abstracts
  - 10 March 2003: Final papers (camera-ready) required
  - 16-20 June 2003: Conference

- **Topics**
  - Avionics and space (special session).
  - Ada Experience Reports: Experience Reports from Projects using Ada, Management Approaches, Metrics, Comparisons with past or parallel Experiences in non-Ada Projects.
  - Education and Training.
  - Case Studies and Experiments.
Program Committee
Alejandro Alonso, ETSI Telecomunicacion, Spain
Ángel Álvarez, Technical University of Madrid, Spain
Lars Asplund, Uppsala University, Sweden
Neil Axdorff, University of York, UK
Janet Barnes, Praxis Critical Systems Limited, UK
John Barnes, John Barnes Consulting, UK
Pierre Bazex, IRIT, France
Guillem Bernat, University of York, UK
Johann Hieberger, Technical University Vienna, Austria
Maarten Boasson, University of Amsterdam, The Netherlands
Ben Brosgol, ACT, USA
Agusti Canals, CS, France
Ulf Cederling, Växjö University, Sweden
Rosie Kordon, UPMC, France
Praxis Critical Systems Limited, UK
Dirk Craeynest, Offis nva & K. U.Leuven, Belgium
Alfons Crespo, University Politécnica de Valencia, Spain
Juan A. de la Puente, Universidad Politécnica de Madrid, Spain
Peter Dencker, Aonix GmbH, Germany
Raymond Devillers, Universite Libre de Bruxelles, Belgium
Wolfgang Gellerich, IBM, Germany
Michael González Harbour, Universidad de Cantabria, Spain
Jesús M. González-Barahona, Universidad Rey Juan Carlos, Spain
Thomas Gruber, Austrian Research Centers Seibersdorf, Austria
Helge Hagenauser, University Salzburg, Austria
Andrew Hatley, Eurocontrol, Belgium
James Hoburg, Lucent Technologies, USA
Hubert B. Keller, Institut für Angewandte Informatik, Germany
Yvon Kermarrec, ENST Bretagne, France
Jörg Kienzle, Swiss Federal Institute of Technology Lausanne, Switzerland
Fabio Kordon, UPMC, France
Michel Lemoine, ONERA, France
Kristina Lundqvist, Massachusetts Institute of Technology, USA
Alejandro Alonso, ETSI Telecomunicacion, Spain
Franco Mazzaoni, University of Elaborazione della Informazione, Italy
John W. McCormick, University of Northern Iowa, USA
Thierry Millan, IRIT, France
Pierre Morere, Aonix, France
Pascale Ohy, Edf, France
Laurent Pautet, ENST Paris, France
Erhard Pöldereder, University Stuttgart, Germany
Ceri Reid, CÔDA Technologies
Jean-Marie Rigaud, Université Paul Sabatier, France
Alexander Romanovsky, University of Newcastle, UK
Jean-Pierre Rosen, Adagol, France
Bo I. Sandgren, Colorado Technical University, USA
Bernhard Scholz, TU Vienna, Austria
Edmond Schonberg, New York University & ACT, USA
Gerald Sonneck, ARC Seibersdorf research, Austria
Jan Van Katwijk, Delft University of Technology, the Netherlands
Tulio Vardanega, University of Padova, Italy
Andy Welling, University of York, UK
Jürgen Winkler, Friedrich-Schiller-Universität, Germany
Thomas Wolf, Pararan AG, Switzerland

Submissions
Authors are invited to submit original contributions. Submissions should be in English. An extended abstract (4-6 pages) or, preferably, the full paper (up to 12 pages) should be sent using the Web submission form. For more information please see the conference Web page. Submissions should be in PDF, Postscript or ASCII format, and follow the LNCS instructions (see 'Proceedings' below). Submissions by other electronic formats, such as a word processor source file, or by fax are not accepted. The Web submission form is the preferred procedure. However, if you don't have access to the Internet, or you don't have an appropriate Web browser, you may send your extended abstract or paper by e-mail to the Program Co-Chair Jean-Pierre Rosen. If electronic submission is not available, please send five paper copies. For e-mail or paper submissions, the body of the electronic message or the first page should identify the submission as a paper or extended abstract, and should include in plain text: the title; name, current affiliation, postal address, e-mail address, telephone and fax of each author; the name of the designated contact person; a short abstract; and a list of keywords ordered by relevance, including, whenever possible, topics and subtopics taken from the list of topics of the conference. If the paper is submitted in Postscript, please be sure to select the option “optimize for portability” in your printer driver. To enable publication of the accepted papers before the conference, strict adherence to the dates of the schedule is essential. Authors of extended abstracts must be prepared to submit a full version of their paper before February 10, 2003.

Proceedings
The proceedings will be published in the Lecture Notes in Computer Science (LNCS) series by Springer Verlag, and will be available at the start of the conference. See the LNCS Authors Instructions page for guidelines (http://www.springer.de/comp/lncs/authors.html).

Awards
There will be honorary awards for the best paper and the best presentation.

Call for Tutorials
A tutorial should address any of the topics of the theme of the conference. A tutorial will last a half or full day. The proposals should include a title, an abstract, a description of the topic, a detailed outline of the presentation, a description of the presenter's teaching experience in general and with the proposed topic, duration (half day or full day), level of the tutorial (introductory, intermediate, or advanced), expected audience experience and background. Proposals should be submitted by e-mail to the Tutorial Chair.

Call for Workshops
Half- and full-day workshops can be held to address timely issues or to initiate a longer term effort on a topic of interest. Proposals should be submitted by e-mail to the Program Co-Chair Alfred Strohmeier.

Exhibition
The conference will be accompanied by a three-day commercial exhibition on June 17, 18 and 19. Vendors of software products and services should contact the Exhibition Chair at their earliest convenience for further information and to ensure their inclusion.
